Build a zebra crossing

Colour the road grey. Leave the crossing stripes white.

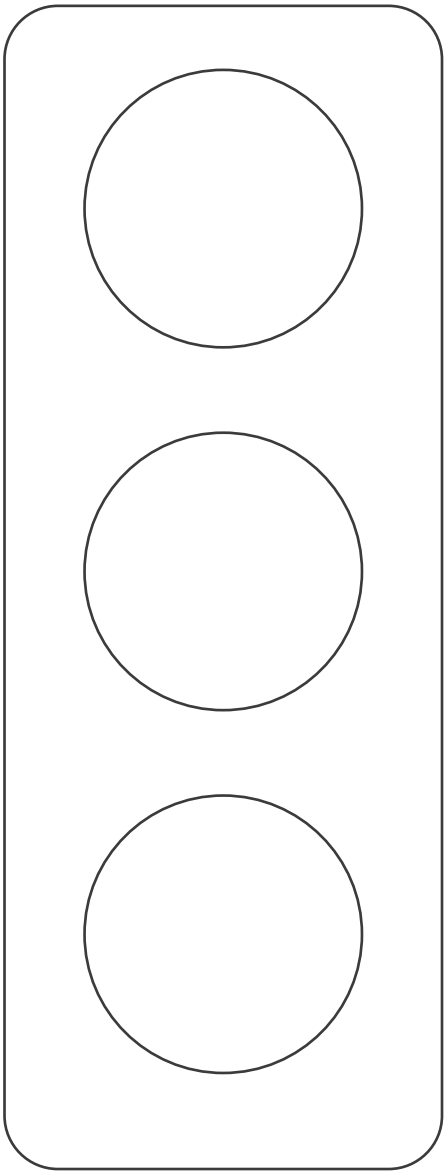

Cut out the road and glue it to a piece of card.

Add a pavement on each side. Place a paper person on the pavement.

Make a traffic light

Colour the three lights, then cut out the panel with an adult.

Red

Yellow

Green

Show and tell

Point to your model and practise these two lines.

This is my zebra crossing.

I cross with a grown-up.

Ask your child to point to a stripe and then to the pavement.
